Slide 1 / 18 - One mission

UNITED AGAINST HUMAN TRAFFICKING & EXPLOITATION

Programs, relationships & Giving Day

Board update, September 25, 2026

Slide 2 / 18 - Who we are

A 501(c)(3) nonprofit based in El Paso, Texas.

We help people understand human trafficking and take safer steps when they notice a concern.

Our starting point: Hotels, local businesses and community relationships.

Our wider goal: Make prevention knowledge and useful resources easier to reach.

Education is central to the mission. Technology supports the people doing the work.

Slide 3 / 18 - Our 2026 milestones

The foundation, membership and campaign participation.

Jan 5 / Feb 3: Texas formation, then IRS recognition as a 501(c)(3) public charity.

By September 8: Allied equipment donation reported by Alex. Exact donation date not recorded.

September 16: El Paso Chamber membership welcome received from [name omitted].

September 16: Star inquiry referred to [name omitted]. Alex reported ELP discussions.

By September 25: Harbor Alliance's El Paso Giving Day profile is live and lists a $5,000 goal.

The exact Giving Day registration or approval date is not shown on the public profile.

Slide 4 / 18 - Our programs

Each part serves the same prevention mission.

FREE training: Help people recognize concerns and respond safely.

Tools & resources: Make prevention guidance easier to use at work and in the community.

Harbor Shield: A proposed way to recognize businesses that put prevention into practice.

Harbor Watch: Developing camera-assisted safety tools with authorized human review.

Slide 5 / 18 - Human trafficking awareness training

Training is FREE for all employees, including managers.

Recognize possible warning signs.

Respond safely. Report concerns. Do not investigate.

Know where to ask for help.

Next phase: free awareness training for the wider public.

Slide 6 / 18 - FREE tools & resources

Simple guidance for the next step.

Awareness & reporting: Share clear materials and safe reporting information.

Property readiness: Discuss staff preparation, site needs and practical improvements.

Staff portal direction: access to training, completion records and resources.

Slide 7 / 18 - El Paso Chamber

Member connection and the annual blue Star goal.

Membership confirmed: [Name omitted] welcomed Harbor Alliance as a member on September 16.

Star on the Mountain: [Name omitted] was introduced to discuss lighting the Star blue each January 11.

Possible collaboration: Connect member businesses with free awareness education and campaign materials.

Annual blue lighting remains subject to approval, availability and agreed costs.

Slide 8 / 18 - El Paso International Airport

Exploratory discussions to reach employees and travelers.

A personal connection: Alex's airport work and frequent travel helped shape his interest in trafficking awareness.

Current discussion: Bring Harbor Alliance's prevention mission into a public space that connects our community.

Possible collaboration: Free awareness training, resource cards and approved public messages.

January 11 awareness: Explore blue lighting and coordinated community education with airport permission.

Airport participation, placements and scheduling remain pending.

Slide 9 / 18 - Allied Universal Technology Services

Equipment support and possible campaign collaboration.

Our connection: Alex's professional connection helped open conversations about Harbor Alliance's mission.

Equipment already donated: Donated cameras support preparation for research and carefully scoped pilots.

Giving Day email request: Materials are ready for [name omitted] to consider sharing through an internal email.

Possible collaboration: Explore further equipment support, security introductions and agreed pilot roles.

Slide 10 / 18 - El Paso Giving Day

Harbor Alliance is listed for the October 15, 2026 campaign.

A $10 invitation: Help fund the goal of lighting the Star blue for awareness each January 11.

Our $5,000 goal: Donations also support education, outreach and prevention tools in development.

Campaign dates: Early Giving: October 8-14. Giving Day: Thursday, October 15.

Slide 11 / 18 - Meta: connection and possible collaboration

Giving Day support and possible collaboration.

Giving Day connection: Meta sponsors a matching opportunity through El Paso Giving Day's organizer.

[Internal technical implementation details omitted from this public edition.]

Possible collaboration: Explore community awareness support and responsible prevention technology opportunities.

Current status: Direct Meta collaboration is exploratory. A Harbor agreement or endorsement is unconfirmed.

Harbor-specific matching claims remain on hold pending organizer confirmation.

Slide 12 / 18 - Harbor Watch

Camera intelligence. Human judgment.

Notice: Technology helps bring possible concerns to the right team.

Review: An authorized person checks the context before deciding what to do.

Respond: The team follows an agreed safety and reporting process.

Slide 13 / 18 - OVIS technology update

A supporting role in Harbor Alliance's prevention work.

Proposed company name: Ovis Platforms, Inc. Registration is planned.

[Internal technical implementation details omitted from this public edition.]

People make the decisions: AI supports authorized review of concerns. Deployment readiness remains subject to testing.

Publication note: the presentation's software image is a concept preview.

Slide 14 / 18 - Local relationships and pilot conversations

A small first step can help us learn what works.

A proposed first pilot: La Union Maze is a prospective pilot opportunity.

An agreed plan: Confirm the site, responsibilities, privacy rules and measures of success before starting.

Community outreach: Connect with hotels, local businesses and community organizations.

Slide 15 / 18 - A consistent public identity

The same clear mission across cards, online materials and event displays.

Clear mission. Easy ways to connect.

Publication note: the original slide illustrates Harbor Alliance outreach artwork; it does not document attendance or a completed event.

Slide 16 / 18 - What the board guides

Priorities for the next stage.

Program priorities: Confirm Giving Day outreach and the next steps with ELP and the Chamber.

People & privacy: Protect sensitive information and require human review of concerns.

Funding & partnerships: Set campaign spending and record each organization's agreed commitments.

A simple progress report: Track outreach replies, donations, training access and pilot readiness.

Board direction: equal director votes and decisions recorded in meeting minutes.

Slide 17 / 18 - Relationships and next steps

Status as of September 25, 2026.

El Paso Chamber: Membership confirmed; annual blue Star plan under discussion.

ELP Airport: Discussions reported; participation and placements pending.

El Paso Giving Day: Public profile live; $5,000 goal and first $10 preset.

Allied Technology Services: Equipment donated; campaign sharing proposed.

Meta: Giving Day sponsor; direct Harbor collaboration unconfirmed.

The board can guide next steps. Each outside organization must approve its own participation.

Slide 18 / 18 - One mission. Many ways to help.

Connect people to FREE training, useful resources and responsible partnerships.
